MEMORANDUM FOR: Deputy Director (Plans)

SUBJECT: Technical Proposals and/or New Ideas Concerning  
Scientific Collection of Intelligence

1. This memorandum contains a recommendation for your approval  
in paragraph 5 below.

25X1A  
2. You had asked [REDACTED] and me to consider (with such others  
as we might choose) a way of bringing to your attention new technical  
proposals.

3. Attached is such a list of recent proposals with a short  
description of each. The submitting office is indicated by side-heading  
and possesses any further information desired. The list has been  
laterally disseminated to offices interested in new technical proposals  
or ideas.

4. It is believed desirable to give you an actual list so that  
you might better be able to judge its utility. You may wish to instruct  
the undersigned to reduce or expand it, or eliminate the practice.

5. Recommendation: That by initials below you approve the monthly  
submission of such a list.

[REDACTED]  
Development Projects Division  
Deputy Director (Plans)

Recommendation in Paragraph 5 APPROVED:

"Would like more info (but not too much)  
on items checked" (refers to attachment which  
travelled w/original copy).
